## Election 2024

### Candidate Questionnaire

1. What is your name and what position are you running for?

My name is Todd Schneider and I am running for District 2 County Commissioner

2. Talk briefly about your work experience, public service and private sector.

I grew up on the family farm and still enjoy helping friends and neighbors on their farms. I started out working on a pulling unit when I was 19 and went on to work for a Polymer gel company for 18 years building rigs and traveling all over the United States operating them. After getting tired of traveling, I took a job maintaining roads for Paradise Township and did part time welding and relief pumping on the side. After 3 years, I took the leap and started TS Welding and Custom Fire Pits. I've been a volunteer firefighter for Russell County for 19 years. I am on the Paradise City Council (unpaid) for now 6 years. I volunteer my time and equipment to help maintain the city streets and help with our annual Fall Festival to raise money for the city. I also make and sell my own seasoning.

3. Why are you running for this position?

I'm running for commissioner to give our district a voice, and to help make Russell County a better place to work and live.

4. What goals or ideas do you have that you would work toward if elected?

I would like to cut unnecessary expenditures, help make the county run more efficient and make sure our tax dollars are spent wisely.

5. Anything else about yourself you would like to mention?

I would just like to say that if I'm elected, I will serve this great county to the best of my abilities.
